

Austrian

ACROBATICS

Summer Convention

Dear acrobats,

We want to invite you to our acrobatic summer convention in Austria.

When?

From **Tuesday, 24th of August 2011** (arrival) until **Sunday, 28th of August 2011** (departure), starting just four days after the end of the Bosnian Acrobatic Festival.

Where?

We have not decided yet where exactly the convention will be held but it will be a **camping site** at the shore of a **beautiful lake** somewhere in **Austria**. If you consider coming to Austria just let us know - we will give you more information about our convention as soon as we know more.

What?

Our aim is to spend some days in a nice atmosphere and do **acrobatics and other circus skills** (such as juggling, balancing, aerials) together. We will not have a trainer, that's why we much of the time will have **free training**. Everyone is welcome to offer workshops!

In contrast to other acrobatic conventions, we have no plans to make meals together. But it is not unlikely that we spontaneously decide to cook together delicious and creative meals.

Costs?

There will be no extra costs for this convention, except for the **charge of the camping site**, which is in Austria between 5 and 12 Euro per day and person, depending on the area. Everyone is responsible to bring his/her own food.

Questions?

Do not hesitate to contact **Moni and Sonja**:
convention2011@akropanik.at .

Please send us an email if you are interested in our convention so that we can provide you with more information later.

We are looking forward to your registration!

With acrobatic greetings,

Moni & Sonja
